Power of Attorney for Health Care

MY POWER OF ATTORNEY FOR HEALTH CARE

THIS POWER OF ATTORNEY REVOKES ALL PREVIOUS POWERS OF ATTORNEY FOR HEALTH CARE

My name (Print your full name): ____________________

My address: ____________________

I WANT THE FOLLOWING PERSON TO BE MY HEALTH CARE AGENT (an agent is your personal representative under state and federal law):

(Agent name) ____________________

(Agent address) ____________________

(Agent phone number) ____________________

Please check box if applicable:

☐ If a guardian of my person is to be appointed, I nominate the agent acting under this power of attorney as guardian.

MY AGENT CAN MAKE HEALTH CARE DECISIONS FOR ME, INCLUDING:

(i) Deciding to accept, withdraw, or decline treatment for any physical or mental condition of mine, including life-and-death decisions.

(ii) Agreeing to admit me to or discharge me from any hospital, home, or other institution, including a mental health facility.

(iii) Having complete access to my medical and mental health records, and sharing them with others as needed, including after I die.

(iv) Carrying out the plans I have already made, or, if I have not done so, making decisions about my body or remains, including organ, tissue, or whole body donation, autopsy, cremation, and burial.

I AUTHORIZE MY AGENT TO: (Please check only one box. If no box is checked, or if more than one box is checked, the directive in the first box below shall be implemented.)

☐ Make decisions for me only when I cannot make them for myself. The physician(s) taking care of me will determine when I lack this ability.

☐ Make decisions for me only when I cannot make them for myself. The physician(s) taking care of me will determine when I lack this ability. Starting now, for the purpose of assisting me with my health care plans and decisions, my agent shall have complete access to my medical and mental health records, the authority to share them with others as needed, and the complete ability to communicate with my personal physician(s) and other health care providers, including the ability to require an opinion of my physician as to whether I lack the ability to make decisions for myself.

☐ Make decisions for me starting now and continuing after I am no longer able to make them for myself. While I am still able to make my own decisions, I can still do so if I want to.

LIFE-SUSTAINING TREATMENTS:

The subject of life-sustaining treatment is of particular importance. Life-sustaining treatments may include tube feedings or fluids through a tube, breathing machines, and CPR. In general, in making decisions concerning life-sustaining treatment, your agent is instructed to consider the relief of suffering, the quality as well as the possible extension of your life, and your previously expressed wishes. Your agent will weigh the burdens versus benefits of proposed treatments in making decisions on your behalf.

Additional statements concerning the withholding or removal of life-sustaining treatment are described below. These can serve as a guide for your agent when making decisions for you. Ask your physician or health care provider if you have any questions about these statements. SELECT ONLY ONE STATEMENT BELOW THAT BEST EXPRESSES YOUR WISHES **(optional)**:

☐ The quality of my life is more important than the length of my life. If I am unconscious and my attending physician believes, in accordance with reasonable medical standards, that I will not wake up or recover my ability to think, communicate with my family and friends, and experience my surroundings, I do not want treatments to prolong my life or delay my death, but I do want treatment or care to make me comfortable and to relieve me of pain.

☐ Staying alive is more important to me, no matter how sick I am, how much I am suffering, the cost of the procedures, or how unlikely my chances for recovery are. I want my life to be prolonged to the greatest extent possible in accordance with reasonable medical standards.

SPECIFIC LIMITATIONS TO MY AGENT'S DECISION-MAKING AUTHORITY:

The above grant of power is intended to be as broad as possible so that your agent will have the authority to make any decision you could make to obtain or terminate any type of health care. If you wish to limit the scope of your agent's powers or prescribe special rules or limit the power to authorize autopsy or dispose of remains, you may do so specifically on the lines below or add another page if needed:

DECLARATION

This declaration is made this __________ day of__________________________ (month, year).

I, ___________________________________, born on _____________, being of sound mind, willfully and voluntarily make known my desires that my moment of death shall not be artificially postponed.

If at any time I should have an incurable and irreversible injury, disease, or illness judged to be a terminal condition by my attending physician who has personally examined me and has determined that my death is imminent except for death delaying procedures, I direct that such procedures which would only prolong the dying process be withheld or withdrawn, and that I be permitted to die naturally with only the administration of medication, sustenance, or the performance of any medical procedure deemed necessary by my attending physician to provide me with comfort care.

In the absence of my ability to give directions regarding the use of such death delaying procedures, it is my intention that this declaration shall be honored by my family and physician as the final expression of my legal right to refuse medical or surgical treatment and accept the consequences from such refusal.

Signed____

City, County and State of Residence____

I did not sign the declarant's signature above for or at the direction of the declarant.
