Option granted hereby, or breaches or defaults on any term, provision or condition of the Lease or this Option
Agreement, or fails to complete settlement on acquisition of the Property after giving notice of intention to exercise
said Option, then and in that event, the Option Fee shall be retained by Owner, as fully earned in consideration for
the granting of the Option contained herein and Tenant shall have no claim or right whatsoever for refund of any
portion of said Option Fee. It is further understood and agreed that said Option Fee shall be deemed fully earned
and nonrefundable in the event Tenant fails to complete settlement due to the inability of Tenant to obtain financing
or for any other reason after giving notice of intent to exercise the Option, the Option Fee being **non-contingent**, in

provide that settlement shall occur on or before the expiration date of this Option as provided in Paragraph
2 of this Option Agreement. In the event the Date of Settlement as provided in the Contract of Sale shall be**

a date occurring after the Option Time Frame as provided in Paragraph 2 of this Agreement, this Agreement and the Option Time Frame shall be automatically extended to the Date of Settlement as provided in the Contract of Sale. Such credit shall be made by Owner to Tenant only in the event of the settlement of the Contract of Sale by Tenant and in no other event shall such credit be payable by Owner to Tenant.

7. AVAILABILITY OF FINANCING. Tenant is solely responsible for obtaining financing in order to exercise this Option. It is further understood that, notwithstanding any financing contingency contained in said Contract of Sale, the failure of Tenant to obtain financing shall not entitle Tenant to a refund of any portion of the nonrefundable Option Fee paid in accordance with the terms hereof.

8. TERMINATION OF OPTION/DEFAULT. The Option granted by Owner to Tenant pursuant to this Option Agreement may be terminated by Owner:

- a. Upon the breach or default by Tenant of any term, provision or condition contained in the Lease which, in accordance with the terms of said Lease, authorizes a termination thereof by Owner;
- b. Upon the breach or default by Tenant of any term, provision or condition contained in this Option Agreement; and
- c. Upon the failure of Tenant to complete settlement in accordance with the terms and provisions of the Contract of Sale, as set forth in Paragraph Four hereof.

It is agreed that upon the occurrence of any one of the above stated events, in addition to any other remedies available to Owner at law or in equity, Owner may, at Owner's option, terminate this Option Agreement and the Option granted hereby by providing written notice of same to Tenant in accordance herewith. If Owner terminates the Option Agreement and/or the Lease, Tenant shall not be entitled to a credit or refund of any rent or the Option Fee. For this Option Agreement to be enforceable and effective, Tenant must comply with all terms and conditions of the Lease and this Option Agreement.

A waiver by Owner of any prior default or breach shall not act as a bar to Owner's right to assert any claims against Tenant or as a waiver by Owner to assert any claims against Tenant for any subsequent default or breach by Tenant.

9. NOT A CONTRACT TO BUY. The parties understand and agree that **THIS IS NOT A CONTRACT TO BUY** and that in order to effectuate a purchase pursuant hereto Tenant must exercise the Option granted in accordance with the terms hereof.
