

ACCEPTANCE BY PATIENT ADVOCATE

(1) This designation shall not become effective unless the patient is unable to participate in decisions regarding the patient's medical or mental health, as applicable. If this patient advocate designation includes the authority to make an anatomical gift as described in section 5506, the authority remains exercisable after the patient's death.

(2) A patient advocate shall not exercise powers concerning the patient's care, custody and medical or mental health treatment that the patient, if the patient were able to participate in the decision, could not have exercised in his or her own behalf.

(3) This designation cannot be used to make a medical treatment decision to withhold or withdraw treatment from a patient who is pregnant that would result in the pregnant patient's death.

(4) A patient advocate may make a decision to withhold or withdraw treatment which would allow a patient to die only if the patient has expressed in a clear and convincing manner that the patient advocate is authorized to make such a decision, and that the patient acknowledges that such a decision could or would allow the patient's death.

(5) A patient advocate shall not receive compensation for the performance of his or her authority, rights, and responsibilities, but a patient advocate may be reimbursed for actual and necessary expenses incurred in the performance of his or her authority, rights, and responsibilities.

(6) A patient advocate shall act in accordance with the standards of care applicable to fiduciaries when acting for the patient and shall act consistent with the patient's best interests. The known desires of the patient expressed or evidenced while the patient is able to participate in medical or mental health treatment decisions are presumed to be in the patient's best interests.

(7) A patient may revoke his or her designation at any time or in any manner sufficient to communicate an intent to revoke.

(8) A patient may waive his or her right to revoke the patient advocate designation as to the power to make mental health treatment decisions, and if such waiver is made, his or her ability to revoke as to certain treatment will be delayed for 30 days after the patient communicates his or her intent to revoke.

(9) A patient advocate may revoke his or her acceptance to the designation at any time and in any manner sufficient to communicate an intent to revoke.

(10) A patient admitted to a health facility or agency has the rights enumerated in Section 20201 of the Public Health Code, Act No. 368 of the Public Acts of 1978, Being Section 333.20201 of the Michigan Compiled Laws.

I, _____ understand the above
