THE PATIENT'S RIGHT TO DECIDE

All adult individuals in hospitals, nursing homes,and other health care facilities have certain rights. Under the Patient Self-Determination Act, health care facilities are required to inform you of your rights as a patient and of their policies.

Each adult individual has the right to prepare legal documents known as "Advance Directives." These documents allow you to state in advance what kinds of treatment you want or do not want under medical circumstances that would prevent you from communicating your wishes to your doctor.

We strongly encourage everyone to exercise their right to make choices surrounding the issues of dying and be mindful of their ability and responsibility to transform death into a subject openly discussed by all.
