## Instructions

### General instructions

**Purpose of form.** Use Form ET-14, *Estate Tax Power of Attorney*, as evidence that the individual(s) named as representative(s) have the authority to obligate, bind, or appear on your behalf before the New York State Department of Taxation and Finance's Division of Taxation (*the Department*). The individual(s) named as representative(s) may receive confidential information concerning your estate tax matters. Unless you indicate otherwise, he or she may also perform any and all acts you can perform, such as consenting to extending the time to assess tax or executing consents agreeing to a tax adjustment. However, authorizing someone to represent you by a power of attorney does not relieve you of your tax obligations. A photocopy is acceptable.

**Note:** Unless a change is being made, Form ET-14 should only be sent in once. You do not have to send in this form with every estate tax filing.

### 2. Representative information

Enter your representative's name, mailing address (including firm name if applicable), and telephone number. Also include an e-mail address and fax number, if applicable. Only individuals may be named as representatives. You may not appoint a firm to represent you.

**All representatives appointed will be deemed to be acting severally, unless Form ET-14 clearly indicates that all representatives are required to act jointly.**

### 3. Estate information

**Limitations.** This power of attorney authorizes the representative(s) you appointed to act for you without any restrictions for the estate indicated. If you intend to limit the authority, check the box. Attach a complete explanation (signed and dated), stating the specific restrictions.

### 4. Retention/revocation of prior Power(s) of Attorney

The filing of this power of attorney automatically revokes all earlier power(s) of attorney on file with the Tax Department for the estate covered by this form. If there is an existing power(s) of attorney that you do not want to revoke, check the box on this line and attach a signed and dated copy of the power(s) of attorney you want to remain in effect.

You may not **partially** revoke a previously filed power of attorney. If a previously filed power of attorney has more than one representative and you do not want to retain all the representatives on that previously filed power of attorney, you must indicate on the new power of attorney the representative(s) that you want to retain.

If you want to revoke an existing power of attorney and do not want to name a new representative, send a copy of the previously executed power of attorney to the Department. Write **revoke** across the copy of the power of attorney, and sign and date the form. If you do not have a copy of the power of attorney you want to revoke, send a statement to the Department office where you filed the power of attorney. The statement of revocation must indicate that the authority of the power of attorney is revoked, and must be signed and dated by the taxpayer. Also, the name and address of each recognized representative whose authority is revoked must be listed.

A representative can withdraw from representation by filing a statement with the Department. The statement must be signed and dated by the representative and must identify the name and address of the executor and estate from which the representative is withdrawing.

### 5. Notices and decisions

Only **one** representative may receive copies of statutory notices. Notices will automatically be sent to the first representative listed. However, if you want copies of notices to be sent to a different representative named in section 2, or a representative on a previously filed power of attorney, enter the name of the representative you want to receive copies of notices. If you do not want copies of notices to go to any of your representatives, write **none**.

### 6. Executor signature

Form ET-14 must be signed and dated by the executor. The Department requires the executor, or his or her representative, to attach a copy of the *Letters Testamentary* or the *Letters of Administration* as evidence of the executor's authority to execute this power of attorney.

The term *executor* includes executrix, administrator, administratrix, or personal representative of the decedent's estate; if no executor, executrix, administrator, administratrix, or personal representative is appointed, qualified, and acting within the United States, *executor* means any person in actual or constructive possession of any property of the decedent.

### 8. Declaration of representative(s)

Your representative(s) must sign and date this declaration. The representative(s) must also insert the appropriate number designation in the box to indicate his or her profession or capacity to represent you before the Department.

### Representation for former government employees

The Ethics in Government Act bars a government employee from appearing or practicing before his or her former agency for two years after leaving public service, and prohibits for life his or her participation in any matter that he or she was directly and personally involved with while a government employee.
